PROFILE SUMMARY

Seeking a challenging position in a reputed organization where I can learn new skills, expand my knowledge, and leverage my learnings. To get an opportunity where I can make the best of my potential and contribute to the organization's growth.

PROJECTS

COMMUNITY BASED RECOMMENDING SYSTEM   2023

this is my final year college project. we developed a website similar to a social media platform. the project aims to help people create a community and sell their products to the community group. it helps connect people.

tech stack : html,css,javascript,php,sql.

IMAGE SEARCH ENGINE   github-live

this small project. developed a website similar to a image search engine the project aims to help people search for image in any category . it helps to finding many photos.

tech stack : html,css,javascript,api.
